

Inline 22

Built To Order

SKAARHOJ Inline 22 – Universal Desktop Controller

The Inline 22 utility panel is the perfect extension to the Live Fly, featuring two rows of RGB Four-way buttons accompanied by crisp OLED displays. This compact panel fits seamlessly into professional setups, offering enhanced control capabilities. Designed with the user in mind, it allows for quick adjustments and customization of settings, making it an ideal solution for live productions, studio settings, or any environment requiring flexible control options. The Inline 22’s sleek design and intuitive interface support a broad range of applications, from live streaming to broadcast operations.

Benefits
