# Quick Shot Pro - Black

**Built To Order**

*SKAARHOJ Quick Shot Pro - Black – Universal Desktop Controller with NKK buttons*

The Quick Shot Pro - Black is a professional-grade panel featuring 18 NKK buttons, tailored as a side car for Replay or to add flexibility in Mega Panel configurations. Its 168mm wide module side fits perfectly in professional studio setups, offering quick access to essential functions. The black finish not only provides a sleek look but also ensures durability for intense use. This panel is the professional's choice for adding a shot-box panel to any configuration, enhancing flexibility and control in live production, broadcasting, and replay operations.

## Benefits

- 18 NKK buttons for professional-grade control
- Perfect as a side car for Replay or in Mega Panel configurations
- Sleek black finish for a professional, durable setup
- Enhances flexibility and control in live production and broadcasting
- Fits perfectly in professional studio setups for cohesive integration
